**No refunds issued after August 13<sup>th</sup>.**

## **Instructional Soccer**

Instructional soccer is offered every spring and fall to children who are league ages 4 and 5 (age as of August 1 of that school year). This program is a great way to introduce your child to the game of soccer. Participants will learn the basic fundamentals of soccer (dribbling, kicking and passing). Practices and games will be held on either Monday and Wednesday or Tuesday and Thursday evenings from 5:30 – 6:15 PM at the Complex soccer field, beginning week of August 24<sup>th</sup>. The season will run through Late October. The Town of Fort Mill will provide shirts and socks. Parents will be responsible for providing cleats, shin guards, shorts and mouthpieces.

## **U8 Coed Soccer**

Our U8 division of soccer is offered every spring and fall to children who are league ages 6 and 7 (based on their age as of August 1 of that school year). The U8 soccer group will practice either Mondays and Wednesdays OR Tuesday and Thursday with games being played on any day except Sunday from 6:15 – 7:15 PM at the Complex. The first practices will be held week of August 17<sup>th</sup>. In the U8 division, the coaches are still on the field during the game instead of using referees. This way, if an infraction occurs, the coaches can explain to the player what he/she did incorrectly and they can learn as they play. The Town of Fort Mill will provide participants with a jersey and socks. Families are responsible for cleats, shorts, shin guards and mouthpieces.

## **Soccer**

In our U10 through U15 age groups, single-gender teams are formed. Teams typically practice two nights per week for an hour each session with games during the week and Saturdays. The games continue to grow in competition as the children get older. The Town of Fort Mill will provide participants with jersey and socks. Families are responsible for shorts, cleats, shin guards and mouthpieces.

## **Baseball**

Baseball is divided into three age groups: Coach Pitch (ages 7 & 8) Minors (ages 9 & 10) and Majors (ages 11 & 12). The Minors division will be your child's first introduction to "kid pitch" baseball. This league is still developmental in nature, but more competitive than the previous leagues. Here, we still use a continuous batting order, but a baseball defense of only 10 players is used (4 outfielders). In the Majors division, your child will face much faster pitching, as well as, bigger and better hitters than what they experienced in the Minors. The Town of Fort Mill will provide participants with jersey, hat and socks. Families are responsible for pants, cleats and mouthpieces.

## **Tackle Football**

Tackle football is offered every fall to children who are league age 7 through 12 (age as of September 1 of that school year). Children participate in one of three divisions: Peewee (7 & 8); Small Fry (9 & 10); and Mite (11 & 12). The tackle football season typically lasts 10 weeks. Teams will practice twice per week and games will be played during the week and on weekends. The Town of Fort Mill will provide a game jersey and socks. Families are responsible for helmet, shoulder pads, pants, leg pads and mouthpieces.

## **Flag Football**

Our Flag Football division is offered every fall to children who are league ages 6 and 7 (age as of September 1<sup>st</sup> of that school year). Children participating in Flag Football will learn the basic fundamentals of football (throwing, catching and running), while also learning game play. Practices will be held on Tuesday evenings 5:45 – 6:45 PM at the Complex, beginning August 24<sup>th</sup>. Beginning on Mid-September games will be played on either Thursday, Friday or Saturday. Once games begin, teams will practice Tuesday with games on Thursday. The Town of Fort Mill will provide participants with a shirt. Families are responsible for cleats, shorts and mouthpieces.
